

Assisted Living Ombudsman 617-222-7495

Elder Affairs runs an Assisted Living Ombudsman Program. While Elder affairs does not make recommendation you may contact the Assisted Living Ombudsman Program to inquire if any complaints have been filed against any ALR. The assisted living ombudsman also acts as a mediator and attempts to resolve problems or conflicts that arise between an assisted living residence and one or more of its resident. Anyone can bring a complaint before the ombudsman. The complaint can be on behalf of a specific resident or on behalf of residents as a whole. A complaint can range from violation of an applicable statute or regulation to residents' rights
