

Woo Cares 4 U Holiday Cheer

CREATE HOLIDAY LETTERS AND CARDS TO OLDER ADULTS—MANY OF WHOM MAY BE FEELING ISOLATED. YOUR KIND WORDS CAN HELP BRIGHTEN THEIR SEASON!

Thoughtful touches to keep in mind as you create:

- **Nondenominational wishes** - Please keep all holiday wishes warm and welcoming by keeping messaging generic (“Happy Holidays,” “Happy Winter,” etc.).
- **Write by hand** using large, easy-to-read print.
- **Start with a kind greeting**, like “Dear Friend” or “Hello Neighbor.”
- **Make it personal**—add color, drawings, or thoughtful touches.
- **No need for a reply**—this is a one-way act of kindness, and that’s what makes it special.
- **Use an envelope, but don’t seal it**—our team will review each card before it’s delivered.
- **Sign with your first name only.**
- **Want to inspire others?** Share your card-making moment and tag us on social media.
