PRIVATE PAY HOME CARE

- How many years has the agency been in business?
- Is the agency bonded & insured?
- Will the agency supply references?
- Are the workers covered by the company's workman's compensation?
- Does the agency provide transportation and/or escorts to medical appointments or other specialty services?
- Are workers driving records checked?
- Does the agency do an initial assessment? If yes, what is the charge?
- Is there a re-assessment done if the person's needs change?
- Are workers CORI checked?
- How are the workers trained?
- Does the worker speak the language of the individual?
- What type of supervision do the workers receive?
- Does the agency provide back-up if the worker is sick?
- Will there be a consistent worker?
- Can services be on an as needed basis or must they be scheduled?
- Is there a 24/7 on call number?
- What is the cost and how is it billed?
- How long does it take to get services in place?
