PRIVATE PAY HOME CARE

How many years has the agency been in business?
Is the agency bonded & insured?
Will the agency supply references?
Are the workers covered by the company's workman's compensation?
Does the agency provide transportation and/or escorts to medical appointments or other specialty services?
Are workers driving records checked?
Does the agency do an initial assessment? If yes, what is the charge?
Is there a re-assessment done if the person's needs change?
Are workers CORI checked?
How are the workers trained?
Does the worker speak the language of the individual?
What type of supervision do the workers receive?
Does the agency provide back-up if the worker is sick?
Will there be a consistent worker?
Can services be on an as needed basis or must they be scheduled?
Is there a 24/7 on call number?
What is the cost and how is it billed?
How long does it take to get services in place?
